Senior Secondary (XII), Karnataka State Board

2020-2022

Science

Sanmarg PU Science and Commerce College

Percentage: 86.60%

Secondary (X), Karnataka State Board

2019-2020

Basaveshwar English Medium High School, Gadag

Percentage: 90.08%

Projects

Real-Time Chat Application (Java, TCP)

Developed a real-time, multi-user chat application in Java using TCP/IP sockets, enabling concurrent communication with nickname setting and message broadcasting functionalities.

Hospital Management System

Developed a full-stack Hospital Management System with a focus on backend architecture using Node.js, Express.js, and MongoDB. Implemented secure role-based authentication (Admin, Doctor, Patient) using JWT and bcrypt, RESTful APIs for managing appointments, prescriptions, medical history, and user profiles.

Movie Search

Developed a responsive movie search app using React and OMDb API with real-time search and dynamic movie details display.
